

Tiny Inventors Lab

Build, Think & Solve

Welcome, Little Inventor!

A Fun Activity Book for Curious Kids

Welcome, Little Inventor!

You have a big imagination and amazing ideas! This book is filled with fun activities to help you think, imagine, solve and create.

What will you invent today?

All About Me

Draw yourself as an inventor!

My Inventor Name: _____ My Age: _____

I want to invent: _____

Let's Count!

Count the objects and write the number.

Lightbulbs

Gears

Robots

Rockets

Shape Shifters

Identify the shapes and draw one invention using them.

Circle

Square

Triangle

Rectangle

Star

Heart

My invention:

Find the Differences

Look carefully at the two pictures. Find and circle 5 differences.

WORKSHOP

WORKSHOP

I found _____ differences!

Maze Time

Help the invention reach its goal!

Trace the path!

Color by Number

Color the rocket using the key.

1 = Red

2 = Blue

3 = Yellow

4 = Green

5 = Orange

Draw & Create

Finish the invention drawing and color it.

Continue the dotted guide!

Match the Pairs

Draw a line to match each object to its partner.

Lightbulb

Gear

Wrench

Battery

Magnet

Gear

Magnet

Lightbulb

Battery

Wrench

Connect matching pairs without crossing lines.

Inventor Word Search

Find the hidden words. Words may go across or down.

ROBOT
TOOLS

ROCKET
BUILD

SCIENCE
SOLAR

IDEA
GEAR

How Many?

Count and write the number.

Rockets

Planets

Stars

Gears

Lightbulbs

Finish the Pattern

Look at the pattern and draw the next shape.

Draw the next shape in each row!

Build a Robot

Design your own robot.

My Robot's Name: _____ My robot can: _____

Design a Rocket

Create a rocket and give it a name!

My Rocket's Name: _____ My Rocket Can: _____

Build a Dream House

Draw your dream invention house.

Special Feature: _____

My house can: _____

Gear Match

Match the gears that fit together.

Draw lines between matching sizes and shapes.

Which Tool?

Choose the right tool for each job.

Tighten a screw

Screwdriver

Cut paper

Scissors

Measure length

Ruler

Paint a wall

Paintbrush

Fix a nut

Wrench

Mystery Machine

What's missing? Choose the missing part.

A Gear

B Rocket

C Battery

D Star

Mini Science Lab

Try this simple experiment! What happens when you put a small object in water?

Observe carefully!

It: _____ floats / sinks _____

What did you observe? _____

What do you think happened? _____

Invent for Nature

Design something that helps nature.

My invention helps: _____

Water Saver

Create a water-saving invention.

My Idea: _____

How it works: _____

Solar Power Idea

Design a sun-powered invention.

My Idea: _____

It uses sunlight to: _____

Alien Invention

Imagine an invention for space!

My Invention: _____

Tiny Problem, Big Idea

Choose an everyday problem and solve it with an invention.

The Problem: _____

My Solution: _____

It helps by: _____

Inventor Logic Challenge

Solve each puzzle. Think like an inventor!

1. Circle, Triangle, Circle, Triangle, ____

2. Which does not belong? Apple / Banana / Carrot / Gear

3. 2, 4, 6, 8, ____

4. Which is heavier? A paperclip or a toolbox?

Crack the Code

Use the code to find the secret message.

Star

A

Heart

B

Triangle

C

Circle

D

Square

E

Secret message:

--	--	--	--	--	--	--	--	--

Your Turn!

Create your own coded message.

Inventor's Blueprint

Draw a complete invention with labels.

A large rectangular grid with a light blue background and a thin blue border. The grid is composed of 20 columns and 20 rows of small squares, providing a space for drawing an invention.

Invention Name: _____

What does it do? _____

My Big Idea

Describe your invention.

My invention is called: _____

It solves: _____

How it works: _____

Who can use it: _____

Why it is useful: _____

Inventor Challenge

Complete all 5 steps!

☐

Choose a problem

☐

Think of an idea

☐

Draw your invention

☐

Give it a name

☐

Explain how it works

YOU CAN DO IT!

Inventor Certificate

CONGRATULATIONS!

This certificate is proudly awarded to

Junior Inventor

For creativity, curiosity and amazing ideas!

Date:

Signature:

Great Job, Inventor!

Great Job, Inventor!

You did it!

You explored. You created.

You solved. You imagined. You invented.

Keep dreaming. Keep creating. Keep exploring.

My favorite activity was: _____
